Dear Parents/Guardian,

As the HSCL coordinator in Moyne College, I would like to welcome back all our parents with a special welcome to all our new parents. I hope you are all settling back into the school routine once again.

As many of you are aware, my role involves working and supporting our parents/guardians in their child's educational journey. I work alongside our school management, teachers and the wider community to ensure that we are doing everything we can to support our parents/guardians and to enhance learning opportunities.

Building relationships with our parents is very important to us in Moyne College. We value our parents and understand that these relationships are key to ensuring a positive educational experience for all. Due to Covid restrictions, we have had limited face-to-face contact with our parents over the last year. Nevertheless, we will continue to reach out, support and involve our parents. I am available Monday to Friday (9am – 4pm) on 086 417 62 82 to discuss and support any issues that may impinge on your child's attendance, participation and retention in the school. I am also available to carry out doorstep visit, if this is necessary.

In the meantime, please keep an eye on our Facebook page for various events and activities that we are currently running plus any other event running in our community, which may be of interest to you. We encourage our parents to take an active role in our school community and welcome any suggestion or interest you may have.

Please feel free to contact me should you have any questions or concerns.
